Note Continued.

In reply, the Superintendent, Govt Gardens submits the Budget estimates of the Botanical Gardens and Parks &c for 1903-04 and states that the actual increase on the whole Budget is Rs 359 and not Rs 507 as pointed out.

The increase is explained as follows:-

Botanical Gardens. Under the head "Servants" the proposal involves an additional expenditure of Rs 168 as shown below:-

Increase to the Mestry's pay, viz.,	Rs 15	Rs 20 —	Rs 60
" " Dafedar's "	8	6-10 —	24
Wages for an additional peon for the Managerie —			84
Total			168

This excess is intended to be partly met by transfer of a sum of Rs 100 from the grant of Rs 1500/- provided for the "purchase of plants and seeds"

the present estimate against the latter heading being reduced to 1000 and the balance, viz, Rs 400 equally apportioned to raise the allotments for "Horticultural Shows" from Rs 1800/ to Rs 2000/- and "Temporary Labour" from Rs 200 to Rs 400. The net increase is said to be ——— +Rs 68.

Grounds attached to the Dewan's Official Residence, Bangalore. The pay of the maistry newly entertained is proposed to be reduced from Rs 17 to Rs 15 and the Head Gardener's post on Rs 11 abolished. The amount saved is Rs 156 per annum. But a water cart is required at Rs 180 per annum resulting in an excess expenditure of Rs - - - - - - +24

Gordon Park Mysore.

Under "Servants" an increase of Rs 48 has been proposed as follows:-

		Rs
Increase to mestry's pay	Rs 10 to 12 —	24
" Hd gardener's "	8 to 9 —	12
" Gardener's "	7 to 8 —	12
	Total	48

This excess is proposed to be met by a reduction of Rs 50 provided under "Plants and Seeds", a saving of Rs 2 being effected.

Daria Dowlat Bagh. The grant of Rs 150 for "Contingencies" is proposed to be raised to Rs 200/- the difference being equally met from "Construction and Repairs" and "Plants and Seeds" the allotments under these heads being reduced to Rs 425 and Rs 75 respectively

Curzon Park. An increase of Rs 254 has been proposed as follows.

	Rs
Increase to mestry's pay Rs 12 to 14,	24
Wages for 3 additional gardeners at Rs 5 each	180
Increase of grant for Contingencies from Rs 150 to Rs 200;	50
Total +	254

Military Assistants' Quarters.

Increase of grant for Contingencies from Rs 15 to Rs 30	+15
Net increase	+359

The Superintendent states that the Curzon Park is at present under-worked, that of the proposed additional expenditure, viz, Rs 359 a sum of Rs 254 has been entered in favour of that new Institution alone and

5

that to ensure efficient working of the Curzon Park and of the other gardens for which small increases amounting to Rs 105 have been recommended it is necessary that Govt should view the proposals favourably and accord sanction.

Besides the increase of Rs 359 as explained above, the Budget includes the following increased provisions.

359

Botanical Gardens : Purchase of animals : Rs 1000. A similar provision for 1902-03 was struck off. The provision has been made for 1903-04. 1000

Gardon Park Mysore. The provision for 'overseer' is Rs 720. The Sanctioned amount for 1902-03 is Rs 540, not Rs 720 as furnished by the Supdt. The authority under which the overseer's pay was raised from Rs 45 to Rs 60 has not been stated 180

A sum of Rs. 844 was provided by Mr Cameron on account of the Shrubbery around the fort at Mysore. He had Supt to do so this yea perhaps with the formation of the Curzon Park

The proposed estimate of expenditure for 1903-04 is ~~will be~~ as follows: 1539

Heads	Sanctioned estimate for 1902-03	Proposed estimate for 1903-04	Difference
Botanical Gardens	26,481	27,549	+1068

In Govt Pro: No: 4161-5 dt Mis 6/4 18th Sep 1902, an establishment Costing Rs 2268 per annum besides Rs 150 for Contingencies for the main was sanctioned for the maintenance of the Curzon Park which was to be under Mr Cameron. The provision for 03-04 exceeds the sanctioned amount by Rs 254 as explained above.

Receipts The receipts of the Botanical Gardens for 1903-04 is estimated to be Rs 2600 as for the previous year.

The variations proposed are
nearly all of them small - the
Cameron is not here and I
have therefore had no opportunity
of discussing the Budget with him.
I have checked the figures
carefully and find that with the
exception of certain increases
of pay and reduction of Establish.
- mostly proposed, there is
nothing noteworthy -

The provision of Rs 1000
for the purchase of animals
seems necessary and may be
retained -

Subject to further
information which should be
called for, the provision
made for the "Gordon" Park
Bunder" may may be retained

Under Botanical Gardens, Hyderabad
Lawn special Residence,
Curzon Park, and Malcolm
Assistant Quarters (Staff Quarters)
an increase of Rs 361 has been
proposed against which there is
a decrease of Rs 2 under
"Gordon Park". The increase is
small & good reasons have been given. -

Read:

Correspondence ending with letter no: 392 dated 31st March 1903 from the Superintendent, Govt. Gardens submitting for sanction the Budget estimates of the Govt. Botanical Gardens and Parks in Mysore for the year 1903-04.

D

No. Fl 2064-65 dy 28/5/03

Order thereon:

30

The proposed estimates of receipts and expenditure for 1903-04 are Rs 4049 & Rs 40,711 respectively.

2. Botanical Gardens.

The total expenditure is estimated at Rs 27,549 against Rs 26,481 for the current year. Under "Servants" the Superintendent proposes an additional

expenditure of Rs 168/- to raise the pay of the mestri from Rs 15 to 20 and that of the Daffedar from Rs 8 to 10 and to provide for an additional peon on Rs 7 for the menagerie. To meet this excess partly, Rs 100 may be transferred from the provision of Rs 1500/- for "the purchase of plants and seeds" which is further reduced to Rs 1000, the balance of Rs 400/- being equally apportioned to raise the allotments for 'Grant to Horticultural Shows' from Rs 1800 to Rs 2000 and "Temporary Cooly Labour" from Rs 200 to Rs 400, as proposed by the Superintendent.

The excess provision of Rs 68 is sanctioned.

The provision of Rs 1000 for the purchase

of animals seems necessary and is retained.

3. Grounds attached to the Dewan's Official Residence, Bangalore. The total expenditure is estimated at Rs 684 against Rs 660 for the current year. The pay of the mestri who is a new man is proposed to be reduced from Rs 17 to Rs 15 and the Head Gardener's post on Rs 11 abolished. The amount saved is Rs 156 but a water cart is required at Rs 180 per annum resulting in an excess expenditure of Rs 24/- which is sanctioned.

4 Lordon Park, Mysore: Rs 3786/- has been provided against Rs 3608 for the current year. The pay of the Overseer has been

18

Calculated at Rs 60/- per month. The Supdt is requested to quote the authority under which the Overseer's pay was raised from Rs 45 to Rs 60 per month. Subject to further information on this point the provision is retained.

An increase of Rs 48/- is shown under "Servants" providing for an increment of Rs 2 to the pay of the mestri on Rs 10, Re 1 to that of the Head Gardener on Rs 8/- & Re 1 to that of the Gardener on Rs 7/-. This excess may be met by a reduction of Rs 50/- provided under "Plants and Seeds", a saving of Rs 2/- being effected as proposed by the Superintendent.

Is there any reason to expect that this contribution will be made? If so, why do not find it?

23/5/03

23/5/03
